Community Center Rent for One year

1560.00

Herald Lord Sebastian Elgar

During court at Boar's Head 5 pieces of business were announced that may be of interest to various members of the Shire.

1) The members of the Order of the Gold Mace may place the initials OGM following their name, and if they are not Knights they may be referred to as Captains of the Red Company (instead of Lieutenants)

2) All territorial Barons and Baronesses must swear fealty to the crowns of the middle kingdom once per reign.

3) Yoshi (however you actually spell it) received his Willow for music.

4) Meruda Pendray (sp?) was placed on vigil for Laurel, unfortunately I was unable to hear when she will be elevated or exactly what she is being elevated for, I would imagine Calligraphy and illumination.

5) And finally though certainly the most important in my opinion, but then I'm biased, our Seneschal Lady Meadhbh Winters received her AoA for service to the Shire

Chatelaine Elizabeth Hughes, Acting Officer nothing new to report. There were many good ideas voiced at the meeting last month, many are still in the R and D phase

Heavy Weapons Marshall Lord Patrick Von Brandenburg

Out sick, but sent report.

The Armor standards for the Middle Kingdom

are now equal to the basic armor standards from the Society. Please note that the Society standard was below Middle Kingdom standard. However, SAFETY should always come first.

There is another corrupted soul in the Shire. Erik received his first authorization at Boarshead.

IMPORTANT SITE CHANGE

The Twenty-Ninth Festival of Maidens originally reserved the National Guard Armory in Urbana, but the events of 11 September and ensuing security problems created doubts about whether we could use it. Even today, the National Guard has no idea of whether we can have the site for the event or not...so...SITE CHANGE!

The Twenty-Ninth Festival of Maidens will be held at the Chancellor Hotel at the corner of Kirby and Neil in Champaign. It may be familiar to some of you because it was the site of Chambanacon for many years.
