This is the news letter for the Shire of Blackhawk of the Society for Creative Anachronism, Inc. This is not a corporate publication of the Society for Creative Anachronism, Inc. and does not delineate SCA policies.

For those of you who missed last month's issue, don't worry! There was no April Hawk's Flight due to the Shire Auction.

Meeting Minutes For May 2002

Officer Reports

Seneschal Lady Meadhbh Winters

The Quarterly Seneschal's Report has been turned in by hand and by email to the Regional. The shire banner has been found! It is currently at the Seneschal's house. Also a deputy has stepped forward to help Meadhbh with the workload for the shire. Congratulation (or perhaps condolences!?) are to be given to Olaf Bygolly!

Exchequer Lord Scott Mac Alister

Scott was sick and was unable to attend the last meeting. He has filled his quarterly report. He sent estimated totals to the Seneschal who gave his report.

estimated totals from the

Shire Benefit Auction 445.25

Shire Site Fees (April) 110.00

Shire Bake Sale >50.00

estimated balance (does not include quarterly rent for April, May and June) 864.00

MOAS and Chirurgeon Lady Caenell Verch Ailwyn,

MOAS a new regional is possibly in store for the Midrealm. Also Caenell's quarterly report was turned in, but slightly after the deadline.

Chirurgeon Arthur von Brandenburg has agreed to take over the position of Chirurgeon once his First Aid certification is up to date.

Chatelaine Elizabeth Hughes, Acting Officer

Elizabeth has requested that if anyone has donations to please bring them to any meeting. However, Elizabeth would prefer the focus be placed on the following types of donations:

Belts

Pouches

Feast Gear

for additional details please talk to Elizabeth.

Rapier Marshall Lady Morgana Corva

Lady Morgana reported a new Marshall in training-Patrick von Brandenburg!! Also Sebastian Elgar has been approved for MINORS (fighting that is!)

Herald Lord Sebastian Elgar

No New awards. Lord Elgar will be in charge of light weapons practice until our Rapier Marshall returns.

Heavy Weapons Marshall Lord Patrick Von Brandenburg

We are still having practice, and there are currently no Heavy Weapons rules changes to report.

Chronicler, Librarian and Web Mistress

Antine Andersen, Acting Officer

There was no April Hawk's Flight due to the Auction. The Website was updated soon after the auction with different pictures.

Old Business

Budget Crisis

Restatement of Motion was made about the site fees. From March 2002 Business Meeting---Our current monthly total of site fees has been falling short of the required amount for many, many months. At the current rate of decline we cannot afford to continue to contract for the Community Center.

If the Shire of Blackhawk cannot make the necessary 130.00 per month for rent from site fees for the next two months (April and May 2002), the Shire will not renew our contact with the Community Center, which expires in June of 2002.

Vote 9 yea, 0 nay, 1 abstention

New Business

Heads Up!!

The Girl Scout Council out of Harvard is interested in holding a Renaissance faire on May 10th of 2003. This could possibly turn into a paying demo for us. Lady Katherine is currently discussing matters with the head of the Council and will keep the Shire informed of any additional information.

Fighting Video

Arthur von Brandenburg has brought to the Shire's attention that he is currently gathering information for a how to video on what equipment new fighters will need when joining the SCA. There is a possibility that this could become a fund raiser if all of the legal issues (ie do not try this at home.) can be worked out.
